## Letter of Recommendation

**To a participant of the "StudMentor" program From the NGO "Teach for Ukraine," implemented with the support of the United Nations Children's Fund (UNICEF) in Ukraine Serhii Chepets**

I am pleased to provide this recommendation for Serhii Chepets, who served as an informatics mentor in the *StudMentor* program. This initiative, implemented by NGO *Teach for Ukraine* with the support of *UNICEF Ukraine*, is dedicated to addressing learning losses among middle and high school students.

Serhii demonstrated exceptional professionalism and responsibility, effectively structuring the learning process to maximize student comprehension. His teaching approach is marked by clarity, organization, and a strong result-oriented methodology. Throughout his mentorship, he employed adaptive teaching techniques, tailoring his instruction to accommodate students' varying levels of preparation and individual learning needs.

His ability to establish strong communication with students was particularly commendable. Serhii actively listened, recognized diverse learning styles, and fostered an encouraging environment where students felt supported and motivated. He ensured a deep understanding of informatics, making complex topics accessible and engaging through logical explanations and interactive methods. His attention to detail and ability to recall key aspects of student interactions contributed to meaningful engagement in the educational process.

Through his dedicated approach and enthusiasm, Serhii instilled confidence in his students and nurtured their interest in informatics. He consistently created a supportive and dynamic learning atmosphere, which encouraged students to actively participate and develop critical thinking skills.

Overall, Serhii has made an outstanding impression with his competence, pedagogical expertise, and commitment to student success. He has significant potential for further professional growth in education.

I strongly endorse Serhii Chepets as a highly qualified and dedicated mentor in informatics. His guidance has greatly contributed to the academic and professional development of his students.

Sincerely,

**Daria Lohvynenko**  
**Senior Mentor in the "StudMentor" Program**
